

Starting to feel the cold? We've got some things to keep you warm!

Stay Warm This Winter with Our Winter Coat Distribution!

As the colder months settle in, we're thrilled to announce that, thanks to your incredible generosity, **we now have over 70 coats available** for students who need them, as well as a few Hats, Gloves and scarves too.

If you are in need of a winter coat, you can pick one up at our days on Granton and Sighthill Campuses on the 27th November and 2nd December.

First Class Rep Report now available

First Class Rep Report Now Live

It's been a busy few weeks at the Students' Association, as our Class Rep system gets up and running. Class Reps are a key part of the college community: they're a link between students, the Students' Association, curriculum staff and college management.

Here's a quick summary of the main findings below:

- Inductions are generally seen as quite good, with almost every student having a timetable before starting, but students especially cited the lack of campus tours and maps available.
- Many Reps reported that students struggle to access vital information due to systems not being as easy to use on mobile phones (particularly Moodle).
- Students are broadly positive about their learning experience so far. Those with negative experiences cite staff absences and the lack of communication being key contributing factors.
