

Congratulations to our 350+ new Class Reps!

Class Reps are now being elected - have you chosen yours?

Thanks to the hundreds of students who have been elected as Class Reps so far! Up until the October holidays, we'll be welcoming about 600 reps to the team. Class Reps are so important to us - they're our eyes and ears for what's going on in the classroom, and are the best placed people to make positive change.

If you have been elected as a Class Rep, but haven't heard from us by text or email to your college email account, please let us know! Reps are automatically added to our Class Reps channel on Microsoft Teams - if you're a Rep and you can't see it, let us know!
