

CHRISTOPHER DIAZ FOR VP SPORTS & ACTIVITIES

More notice boards to make clubs/Societies aware

Room/Hall hire needs to be addressed as to when and how students can get access to this

The Hub screen to help promote activities within the college or possibly an outlook on stuff happening outside the college

Activity area for students to drop in when they have nothing to study

Everyone can be isolated within their own study areas, we need a way/activity where students can widen their social circle with ease and comfort

Performing space could be set up in the hub for each day at lunch time to provide entertainment by students for students

College services and discounts need to be made very clear either upon starting college or in general

College sports and dance leagues. Very simple to set up

Clear information on what to do in Edinburgh for free and nightclubbing promotions

College tours, this should help students get familiar with where they need to be and also to highlight some of the services the college provides

Clear timetables that could be colour coded to help with finding your way round the college

Clothing kits for specific courses i.e. fitness and beauty get specialised kits

End of year graduation nights – possible society that could be funded and run by students to support all campuses. Fitness department organise an incredible graduation night at the end of the year for their students. This should be applied to all courses making the overall ending of the course for those that have passed, a lot more exciting experience

A business rep – helps people looking to get into business

A computer games room in the library or a certain room with a range of consoles – Social

A possible Students Advice Bureau
