a Childhood Practice with ESOL student
at Edinburgh College**

Wao!!! Women 2024

Wao!!! Wao!!! Wao!!! Women!!! Yo-yo-yoyooo

A Wao Woman is always self-loved, strong that nothing can disturb her peace of mind.
She never quits, she knows how to handle challenges,
She sees struggles as triumphs, thinks well of herself,
Not in loud words but in great deeds.

She talks health, happiness, success to herself and every person she meets.
Looks at the sunny side of everything and makes her optimism come true.
Always remembers that her hard work will work out over time,
If she persists, her prize is more than rubies.

A Wao Woman is made of special qualities, her values are exceptional,
Seeing life as a ladder, to climb to the top of that mountain.
Embraces good opportunities, is always encouraged, thinking only the best and
Expects only the best as long as she's true to the best in her.

She is just as enthusiastic about the success of others
As she is about hers, forgetting the mistakes of the past
And to press on to the greater achievements of the future.
Wears a cheerful expression at all times,
And gives a smile to every living creature she meets.

Wao Woman gives so much time to improve herself,
She has no time to criticise others,
She's too large for worry,
Too noble for anger,
Too strong for fear,
And too happy to permit the presence of trouble.
She lives in the faith that the whole world is on her side.

Women!!! Don't Quit
by Betty Ogbemudia

Let us continue riding upon the storms of life,
We're moving from zero into hero, and from
Nothing into something if we don't quit, though the
Pace seems slow at times, we can still succeed.
Even when it looks so hard and dark everywhere
That it looks like we're almost giving up, remember
We can capture the victor's cup if we quit not.

Helen Morgan says the best view comes only
From the hardest climb, nothing is so hard that it won't
Work out over time! Let us always remember that
We are made simple, smart, gorgeous, valuable,
Cute, kind, resourceful, tenacious, brave, delightful,
Beautiful, unique, optimistic, lovely, phenomenal,
Vigilant, sensible, courageous, resilient.

We can only be successful if we persue success
Life is a journey towards victory although we're
Driven and sometimes fragile. When we want to
Smile but we sigh, when care is pressing us down a bit,
We need to rest but not quit for we never can tell how
Close we are to the victor's cup.

Lovely women!! Wao!! Women, let us continue riding upon
This life's storms.

Italians say: "For things to be nice, they need to be done well."
